A little shortage of eight million onl article in the Independent by a lady who dollars or less will not seriously hurt a vigorhas lived in the state for the last twenty years, one country like this. Security is simple, but there is no money. Such a condition cannot hegroes outnumber he whites two ong exist. Money will come in abundant supply and a by prosperous season will set us tright.

DE WHITMAN AGAIN.

published a pamphist in which I e has collected tave been slaves, grasps the idea of physical body of testimony prepared to show that Dr. raligious tasabing which and also that he did much to promote the m-ple requive is such as nigration of 1843. This subject has often been as integration of 1843. This subject has often been might be expected from negro preachers who examined, and though the testinony that Mr. go down to bell" on Saturday evenings loaded Eells has collected as interesting and has his kiends of those whom they facts already known. There is no doubt, inreported as being in tortient, and till deed, that the object of Dr. Whitman's cour-Bunday how the gifts have ageous winter ride across the continent was to en dispetied. And to add to the darkness of sirge the government to take more active measured. the plefting this writer says that nothing is done the plefting this writer says that nothing is done the plefting this writer says that nothing is done the plefting this writer says that his work was of the particular, but there is no are no sthools, he missionaries, no efforts made this original proof, nor is there any probability of any thick. There is no subject of greater that Oregon would have been abandoned to ned in the country," all, says, "thap Great Britain had Dr. Whitman never lived. So ably going on among the negroes of was called to the subject—and a work of the friends government in the part of Arthur presents at the tent of the presents at the tent of the presents at the tent of the presents at the state of the presents at the state of the presents at the presents at the presents at the state of the presents at the state of

made n almost every part of hil world place action and much towards urging and hastening Action did much towards urging and hastening the country could be lapsing into barbarism.

The country could be lapsing into barbarism.

The can be accounted for only on the theory advanced by Mr. Cable to show my that state was considerable body of people who have to Dregou—much of it had never heard as the time of the Grandissimes. The "shaded of Dr. Whitman, Prough doubless some ow of the Ethiopish" still rests hear of the satinbers bad seen articles on Oregon ily upon the land. Siavery reduced the written by him, and thus their attention had blacks to a state of moral irresponsibility, verging upon berbatism, and ready to fast into wild accesses as top as the restraints of compulsory obodience regardence of and as the same time the subject has received from the hands of reduced the whites to a condition verging noted numbers of it, particularly Hon. J. W. upon assumer. The bale of influence of stavery Neumith, who had never seen or heard of Dr. shill remains. The last census shows that while Whitman till the company had assembled on 30 pen count of the colored mates who had the western border of Missouri and tak a up reached the sign of 21 were unable to write their its live of march. But while all these faces go cwn names 15 per cont. of the whites are also to show that it is claiming too much for Dr. Hitorate. This signorance of the whites per Whitman to assort that he saved Oregon to the petaken their prejudice against the blacks, and United States, the historical record stell gives the most physics feature of these mation is that him his full meed of fauld. He was an energet the mission of these poor the the ruling oughly patriotic Amprican ection, and his name that they do not deed a aid unless tay that they do not deed a aid unless tay that they do not deed a aid unless tay that they do not deed a aid unless tay that they do not deed a aid unless tay that they do not deed a aid unless tay that they do not deed a aid unless tay that they do not deed a aid unless tay the training and training and the training and t came tardily in the name of Whitman county,

The blood cleaning on little of Ayer's Serence ritle replier it invaluable in all skin discusses.

A NOTER LADY.

duil. Everybody in business, from the cross-reads merobant to the Portlan I banker, comof at her discretion tader the advice of trasalways been upon the reducing class and true. As she was letter lidless, she determined expital has always been in plentiful supply for the money supplying sources quite as seriously Witerx, such disposition has been made of as the humbler business classes.
